TECH PROJECTS
Kreations* by Kat (Live Demo: https://kreationsbykat.herokuapp.com/)   January 2021
- Created an e-commerce application that allows business owners to sell their custom products.
- Gave admin the ability to track their products electronically in a hands on and user friendly way.
- Utilized the Paypal API for payment authentication and processing.

Teems T-Shirts (Live Demo**:** https://awesometeena.herokuapp.com/)   April 2020
- Developed an E-commerce web application that sells custom T-shirts with proceeds going to charity.
- Worked with a team to design wireframes on Adobe XD and Ruby Rails to create the application.
- Handled payment authentication and processing through the Stripe API.

Munchies (Live Demo: http://latenightmunchies.herokuapp.com/)   March 2020
- Collaborated with a team to create a web application for 'Foodies' looking to find new restaurants in their area.
- Utilized React and React Bootstrap to create the page structure using components and Hooks for the app.
- Created customized styling using CSS and Material UI.
- Used Yelp API to allow users to filter by location, cuisine type, and price point.

PROFESSIONAL EXPERIENCE
Full Stack Web Developer   January 2020
BrainStation (formerly, Wyncode Academy)   Miami, FL
- Built applications with programming languages (JavaScript, Ruby, HTML/CSS, web frameworks and libraries: Rails, React, MVC, Bootstrap), database management and version control (SQLite, PostgreSQL, MongoDB, Git).
- Worked with RESTful APIs: Stripe, Yelp, Twilio, Mapbox, along with GitHub and Agile Methodologies.

WordPress Developer   January 2018 – December 2020
The Agency Group Real Estate, Inc   Boca Raton, FL
- Worked with developers to create, maintain, and update the company's website.
- Optimized website on WordPress platform for usability, SEO, and accessibility to enhance digital exposure to listings.
- Managed software upgrade and merger of acquired Real Estate company with existing enterprise systems.
- Improved existing website by adding new features and plugins for better site functionality.

Licensing & Regulatory Compliance Manager   November 2008- January 2018
Oasis Title Company   Boca Raton, FL
- Scheduled and coordinated Real Estate closings and funding with attorneys, borrowers, and lending officers.
- Maintained a pipeline consisting of up to 30 real estate purchases and closings per month.
